

TERRITORY CRAFT DARWIN PRESENTS:

# Glass Bead Making Advanced – metals & colours

with Michelle Selway

This workshop follows on from the 2 day intermediate workshop. It will build on the techniques already learned, to show participants how to select glass and materials for particular reactions and effects. Learn how to safely utilise the creative possibilities of using metals in your glass beads.

Michelle is an experienced bead maker who has taught extensively.

An example of Michelle's work.
