

TERRITORY CRAFT DARWIN presents:

Glass Bead Making Intermediate

With Michelle Selway

This workshop will introduce participants to a variety of new techniques including using frits, micas and reduction to create unique beads. Building on the Beginners Beading Class this program aims to increase your skills and techniques is using glass for contemporary and fashion jewellery and body adornment.

Michelle is an experienced bead maker who has taught extensively.

Dates: 7th & 8th August 2010 – Saturday & Sunday

Time: 9.00am – 4.00pm

Cost: Non-members \$ 250
Members \$ 220

Materials:

Participants are asked to bring:

- A pair of safety glasses
- Pen and paper for note taking

Student must attend class in closed footwear and appropriate clothing.

This class is a prerequisite to the more Advanced Bead Making.
