

TERRITORY CRAFT DARWIN PRESENTS:

# Hand-made clay fired tiles

with Ingrid Gersmanis

In this 2 day workshop you will learn the basics to make your own clay tiles using a Slab Roller and other handbuilding techniques.

Once fired you will complete the tiles with coloured slips and underglazes and then gloss glaze.

These tiles can be used as Trivettes, a wall feature over a pond or sink or mosaiced into a unique wall or table piece. We will be exploring different types of tile shapes as well as the conventional square tile.
