

TERRITORY CRAFT DARWIN PRESENTS:

The Lead and How to Swing it!

with Jon Firth

An advanced course in which participants will construct a small stained glass window employing traditional leadlight techniques. Students will gain detailed knowledge of stained glass and the leading process.

DATE: 6 Thursdays commencing 5th August 2010

TIME: 7:00pm – 10:00pm

COST: non-members \$215; members \$190

MATERIALS: Cost of materials will depend on the project the student undertakes.

Students will need to bring an oil filled glass cutter, ball point pen & paper, black marking pen (Artline 700 or 90), ruler, pencil, eraser and clean cotton rag (old T-shirt is suitable).

Students must attend class in closed footwear and appropriate clothing. Safety glasses are also a requirement. This workshop is not suitable for pregnant or nursing mothers.
