Course Outline:

The aim of this course is to impart to students the basics of kiln formed glass. Information handouts will be kept to a minimum, and students should be prepared to take notes.

Friday Night: Slide show and discussion of the basic principles of glass fusing. Instruction in the use of basic glass tools. Unless you are a continuing warm glass student you must attend on the first night.

Saturday: Selection of forms, preparation of kiln shelves. Cut and assemble glass for first project. Fire kilns. Demonstration of the technique of glass combing.

Sunday: Remove first project from kiln. Prepare second project and load first and second projects into kiln. Fire kiln for second stage. Demonstration of vase making. Further discussion and demonstration of various techniques used in the practice of kiln formed glass.

A post mortem will be held on the day following the completion of the course at a time to be advised by Territory Craft.

Students will require an oil filled glass cutter available from Unicorn Glass Studio, 1/9 De Latour Street, Coconut Grove at a cost of around \$22. Phone Jon on 8948 1177 to arrange this.

Students to Bring: Pen, pencil & note paper, fine felt pen, a clean cotton rag (such as an old T shirt), an old newspaper and an oil filled glass cutter.

Student must attend class in closed in footwear and appropriate clothing
