# Make a Photo Emulsion Screen for Printing

With Jillian Thompson

**DATE:** Thursday, Saturday, Sunday 6<sup>th</sup> 8<sup>th</sup> 9<sup>th</sup> May

**TIME:** 6:00pm-8:00pm Thursday  
1:00pm -4:00pm Sat / Sun

**COST:** Non members: \$265.00  
Members: \$235.00

**MIN STUDENTS:** 6

**Course Outcome:** In this 8 hour workshop students will produce a photo emulsion screen for multiple printing. This screen has advantage over the stencil printing by allowing much more fine detail in the design to be printed and has a life of up to 1000 prints.

Photo emulsion screens are used by semi professionals, craft workers, teachers and anyone who needs a design permanently on a screen.

**We weather may cause postponement of this workshop which uses the sun to develop the artwork**

**STUDENTS ARE TO ATTEND CLASS WEARING APPROPRIATE CLOTHING INCLUDING CLOSED IN SHOES.**
