

Territory Craft presents

Mosaic Workshop

with Ingrid Gersmanis

Learn the basic use of tools and application of designs to a Wall Mosaic (30 x 30cm) on a piece of Craftwood or Tile. Students will be able to transfer a design of their choice onto the Craftwood or Tile and mosaic the design using the “direct method” of mosaics. They will also learn the technique of cutting, nibble shape from tiles and grouting the finished piece. Other methods of mosaic will be discussed briefly. (3 Saturdays)
