

TERRITORY CRAFT DARWIN Presents:

Silver jewellery making

With
Marianne Eichenberg

This course is designed to give people an insight into the basic techniques of jewellery making. It will enable the student to create simple pieces of jewellery incorporating any material the student wishes to include. Students with prior knowledge of jewellery making can be instructed according to their ability.

This program is for both beginners and continuing students.

COURSE PROGRAMME (6 Weeks):

Weeks 1 - 2: Learn the basic techniques of silver jewellery making eg sawing, soldering and polishing, by making a simple ring band or experienced students commence a new project.

Weeks 3 - 6: Create a piece of jewellery of your own choice.

DATE: Mondays Commencing 10th May 2010

TIME: 7 – 10 pm

COST:

Members	\$275 00
Non-members	\$300.00

MATERIALS: All materials are supplied

Example of student's work
